Most Honored Sir,

I submit that my two registered letters, dated 17th March and 2nd April, 1884, respectively, elicited no reply. All my other letters, 4 in number inclosure of my application for gratuity, were submitted through the Principal of the Central College, and they

they failing to bring about an early disposal of my case, the above two letters were addressed directly to your honor That even those two letters should have no more effect than that of their predecessors is really due to my misfortune which is strong at present I once more humbly represent my said case and request your honor to sanction my gratuity without further delay

to the Govt of Mysore -

I have the honor to inform you that in accordance with the instructions conveyed in the Govt's Proceedings No 696 dated the 9th Ultimo, all Classes of this College below the Upper IV were dismissed on the 1st July and the Masters whose names are noted in the margin were sent with a docket, a copy of which I enclose to the Deputy Commissioner of Mysore The Deputy Commissioner has not replied to my docket but he seems to have said to the Masters that he had no instructions from Govt about them He told them to go back to the College, and the Masters are not attending the Deputy Commissioner's Office now I should feel obliged if you would kindly convey instructions to the Deputy Commissioner

The Education Secretary
Bangalore

Sir,

In continuation of my letter No 40 dated 5th July 1884 I have the honor to forward herewith the reply of the Deputy Commissioner of Mysore about the three masters whose names are noted in the margin -

13 Cham Singh
14 Raghavendra Rao
15 Venkata Subbaya

It would seem from the Deputy Commissioner's reply, that he is either unable to hold out any hope of employment to these masters in the Mysore District, or requires more specific instructions from Government to give them an opportunity of qualifying themselves for Revenue work by serving in his office as supernumeraries. All the three teachers are willing to work in any capacity attached to them in the Revenue Department, and will be glad to go to any District except those of the Nuggar Division

One of them Mr Cham Singh has served for some time in the Kliggar Division, and is not willing to go back to it. It would be a great hardship to these masters if they should be retired, as the Deputy Commissioner suggests before a change is given to them of qualifying themselves for work in other Departments. I shall therefore feel obliged if you will kindly issue more definite instructions to the Deputy Commissioners and to me regarding their future employment.

Most Honored sir

I humbly beg permission to bring to your honors kind notice that I was the 8th Asstt master in the Cen College Bangalore and having obtained 2½ years' leave to commence on the 20th January 1881 went to — Madras to study for professional examinations In the year 1883 and before my leave expired my post was — abolished owing to the abolition of the Primary and Middle school classes of the College and I applied to the Principal either to extend my leave or to permit me to retire on gratuity The Principal under directions from the Dewan allowed the latter alternative and asked me to send my Service Register to be forwarded to the Dewan It is now one year since the application for gratuity and my Service Register were submitted and to my great misfortune, though there have been several reminders in the meantime requesting an early disposal of my application my gratuity has

not yet been sanctioned owing the necessity to address this letter humbly to your honor requesting that my grade may be sanctioned without further delay I further submit that I have been without any employment since I left the Mysore Service and my pecuniary difficulties especially for the last 7 or 8 months have been numerous The removal of my grade will under the present circumstances afford me material relief by giving therefore my grade early your honor will confer on me a great favor for which I shall as in duty bound ever pray

In reply to your kind letter of the 12 inst I humbly beg to state that I elect to retire on gratuity

I entered Govt service on the 13th May 1874 when I was 20 years and 7 months old, my first appointment being as First Asstt master Mercara Central School, Coorg, on Rs 40 per mensem I remained on my first appointment from the 13th May 1874 to the 1st March 1877 and was then, at my own request transferred to the Bangalore Central College, as Eighth Asstt master on a salary of Rs 30 a month This second appointment continued till the 20th January 1881 when I took 2½ years'

leave and went to study at Madras I have taken no leave furlough or other prior to the termination of my second appointment My whole service up to the 20th January 1881 will, therefore amount to 6 years 6 months and 1 days from which 1 year and 5 months' minor service should be deducted to obtain the 5 years, 3 months and 7 days' good service - entitling me to gratuity My average monthly pay for the last 5 years appears to be Rs 32 - 3 as - 5 pies and at that rate I should get Rs 169 - 12 as gratuity
